the green house

There is no such thing as a typical wedding…

At the Green House we never forget that every couple is different – and no two weddings are the same. That's why, before we even start to talk about the details of your perfect day, we take the time to get to know you.

Set in a beautiful wooded clifftop location on Bournemouth's East Cliff, the Green House Our awards offers: award-winning Arbor restaurant which holds 2AA Rosettes and Michelin Plate, a chic bar, flexible and spacious function rooms and 32 exquisitely appointed en-suite bedrooms.

Under the inspirational supervision of head chef Andy Hilton, our kitchen will create a show-stopping menu of locally sourced contemporary cuisine. From wedding breakfasts to canapé and buffet options for evening receptions including our outdoor pizza oven, our menus are individually tailored to your requirements. All our food and drinks are ethically sourced, beautifully presented and utterly delicious.

Our team are absolutely committed to helping you bring the wedding of your dreams to life. Every single detail will be attended to – leaving you free to enjoy every moment of your day.

Your perfect day, our perfect setting…The ultimate combination for an unforgettable wedding, all backed up by uniquely personal service. Whilst we start out as your wedding venue, we're dedicated to ending up as your friends.

We are delighted and proud to have been awarded the "highly commended hotel wedding venue" at the 2023 National Wedding Industry Awards, having won "best hotel wedding venue" for the Southwest regional heats. Ceremony - Say ‘I Do’ Your Way

Indoors

With its large curved windows, natural light and stylish contemporary design, Arbor provides a beautiful setting for your wedding ceremony. The room can host up to 74 guests, creating an intimate atmosphere while still giving everyone space to enjoy the moment. Its elegant surroundings need very little dressing, although you can add flowers, candles and personal touches to make the space your own. Music can be played through our Bluetooth speaker, or you can arrange live musicians for something more personal. Our wedding team will help with the details, ensuring everything is ready before you walk down the aisle.

Outdoors

For couples dreaming of an outdoor ceremony, The Green House offers a relaxed and romantic setting surrounded by greenery and the character of our historic hotel. It is a lovely choice for a spring or summer wedding, giving you the chance to exchange vows in the open air with family and friends gathered around you. You can personalise the space with flowers, music and decorations to create a ceremony that feels completely your own. Our wedding team will take care of the practical arrangements and help everything run smoothly. We will also have an indoor option ready should the weather change.

Wedding Breakfast – Celebrate Around the Table

Your wedding breakfast is one of the defining moments of the day, bringing everyone together to relax, celebrate and enjoy exceptional food.

At The Green House, your wedding breakfast is served in Arbor, our two AA Rosette restaurant. Head Chef Andy Hilton and his team create seasonal menus using carefully selected ingredients, with quality produce sourced from Dorset and the surrounding area wherever possible.

The restaurant's standards carry through every part of the experience. From the presentation of each dish to the pace of service, our team makes sure everything feels polished, relaxed and memorable.
Whether you choose a traditional three-course menu or something more personal, we will help create a menu that suits your style and your guests. Dietary requirements are carefully considered, with suitable alternatives prepared to the same standard.

Our team can also help select wines to complement your menu, from crisp whites and elegant rosés to fuller reds and sparkling wines for the toasts.
Add beautifully dressed tables, thoughtful service and those all-important speeches, and your wedding breakfast becomes one of the moments everyone remembers

.

2 Rosette Dining

Andy Hilton, our head chef, will put as much passion and artistry into an exquisite afternoon tea as he does into a formal three-course wedding breakfast. Delicate seafood canapés or bacon butties for your evening do? Either way they'll be ethically sourced, and totally delicious.
